Invitation

Dear colleague,

It is our pleasure to invite you to the 25th International Conference on Virus and other graft transmissible diseases of Fruit crops (ICVF2023), scheduled from Sunday 9 July until Thursday 13 July 2023 in Wageningen, The Netherlands.

The program includes a welcome reception, scientific sessions at the conference venue and at Wageningen Campus, a Wageningen Campus tour, a technical excursion to Horst (please take a look at our web site for a virtual tour), a social event in Wageningen and a conference dinner. We are proud to announce the following **keynote speakers**: *Wilhelm Jelkmann, Sebasti n Massart, Thierry Candresse, Yoannis Tzanetakis, Piotr Tr bicki and Carolyn Malstr m.*

As an appetizer for the technical excursion, you may want to visit the virtual tour on our ICVF2023 home page to take a look at some striking symptoms on the indicator trees.

Registration and abstract submission are open. Please take notice of the deadlines for early bird registration and abstract submission. Also hotel room reservation is open. Please remind to use the block code when reserving a room at the conference venue, the WICC hotel.

We are looking forward to welcoming you to Wageningen, the city of life sciences in The Netherlands, for our 25th ICVF meeting.
